

HIKVISION Mobile HDD T20 MSR

Introduction

The Hikvision T20 MSR is a ruggedized external hard drive designed to withstand a lot of beating and punishment. It is drop-tested to US Army MIL-STD-810 standards. It uses built-in USB cable, which is more convenient to use. This greatly reduces the risk of annoying cable misplacement and clutter. You can take it by your side without worrying about the quality. It helps you to transfer and backup different kinds of files at anytime and anywhere.

Available Models

HS-EHDD-T20 MSR/1TB

HS-EHDD-T20 MSR/2TB

Product Features:

- Military-grade shock proof protection.
- Equipped with LED light indicator.
- Transmit files with high and stable speed.

Product parameters :

Model Name	HS-EHDD-T20 MSR
Interface	USB 3.1 Gen1 Type-A (backward compatible with USB 2.0)
Rotational speed	5400 rpm
Storage Media	2.5 inch SATA HDD
Capacity	1/2 TB
Dimensions (L x W x H)	153mm*91mm*20mm
Weight	194g
Case Material	ABS+Shockproof rubber
Color	Black
Operation	DC 5V (power supplied through USB)
Platform supported	Windows , Mac OS, Linux
Warranty	3 years
Working temperature	5°C ~ 40°C
Storing temperature	-40°C ~ 60°C

Note: Performance test is performed in specific testing environment. Any change of the computer system, operation system, hardware, software, or functions will influence the test result.
